PROFILE

Graduated in Egypt with a Tourism Services Higher Diploma in 2000. Started commercial diving in 2002 and ever since has been keeping myself abreast with the marine and offshore industry by upgrading my knowledge and skills.

I am **NEBOSH** IGC (hazard identification and risk assessment) certified. I have attained **ADAS** Hyperbaric Diploma, Offshore Dive Supervisor certification, **HSE** MR, and Approved Diving Supervisor which is approved by **ARAMCO**. These certifications allow me to expand and explore my ability and strengths when on job.

Currently working as a diving supervisor in Singapore and this does not hinder me to have IMCA diving supervisor ticket - In date IMCA CPD for I believe continuous learning equips me with the set of skills and knowledge that I require when challenges and problems surface during a job.
